## ABOUT US

We are a clearing and forwarding company with head office in Port Harcourt, Nigeria. We are located at **Cargo Area, Port Harcourt Int'l Airport, Omagwa, Rivers State.**

EFEZINO GLOBAL RESOURCES (NIG. LTD.) has been formed by a group of professionals having vivid experience and wide exposure in freight forwarding. People involved here are skilled, experienced experts in the business.

Our official journey in the freight forwarding industry started 25<sup>th</sup> January, 2010, when we were formally awarded a Certificate of Incorporation by Corporate Affairs Commission, Nigeria, with Registration Number **RC865691**. We were then given a "Licence to Carry on Business as a Customs Agent" by Nigeria Customs Service. Thus, we turned out to be a certified Customs License Agency and then became a Member of the Association of Nigerian Licensed Customs Agents.

Bottom line of the company's attitude is building a long-term business partnership with its clients where interpersonal relationship, reliability and assured quality services are the major building blocks.

It is a company where professionals group together with an objective of providing appropriate business solutions. It realizes the importance of functional knowledge and its impact in developing business solutions. One key to the company's success is the maintenance of a close working relationship with the clients through ensuring the best possible solutions to their needs; to establish and maintain a thorough knowledge and understanding of client's objective and help them maximize the benefits.

We want to establish ourselves amongst the best choices in freight forwarding services.
